Energy Star® Appliance Program (ESAP) Frequently Asked Questions

- What is the Energy Star® Appliance Program (ESAP)?
The Farmers RECC Energy Star® Appliance Program is a program that offers a rebate incentive to member-owners for reducing the energy consumed by household appliances by purchasing certified Energy Star® Appliances.

- What appliances are included and how much is the rebate?

Appliances	Rebate to Member
Refrigerator	\$100
Freezer	\$50
Dishwasher	\$50
Clothes Washer	\$75
Heat Pump Water Heater	\$300
Air Source Heat Pump	\$300
Air Conditioner (Central)	\$300

- When does the appliance purchase qualify?
The Energy Star appliance must have been purchased on or after November 4, 2014.
- How do I apply for a rebate?
Members can apply for a rebate by visiting our website at www.farmersrecc.com and clicking the 'EnergyStar Appliance Rebates' icon on our homepage. Member-owners can also call 270-651-2191 to have a paper application mailed to their home.
- When will I receive my rebate check in the mail?
You will receive your rebate check in the mail 4-6 weeks after your application is approved. The ESAP is administered by a third party vendor, who processes your application and mails the rebate check directly to you.
- Why can't Farmers RECC mail my check to me sooner?
The ESAP program is administered by a third party vendor who processes applications and distributes checks directly to the member-owner.
- Can I receive a rebate for an appliance if I am a renter?

Farmers RECC is an equal opportunity employer.

Yes! If you furnished the appliance yourself (i.e. clothes washer) and the utilities are in your name, then you will receive the rebate yourself. If the landlord replaces an appliance that he/she furnished for the rental and the utilities are in the name of the renter, the landlord will receive the rebate by working with our energy adviser directly.

- Do I qualify for rebates if the appliances are going into a new home?
Yes you do! You are eligible for the same rebates as Energy Star® appliances that are replacing existing appliances. However, member-owners cannot receive an Energy Star Air Source Heat Pump rebate and an Air Source Heat Pump Retrofit rebate.
- What documents do I need to apply for the rebate?
The receipt from your purchase of the appliance that is **legible** and includes the following:
 - Retailer's Name
 - Itemized listing of product(s), including description, manufacturer(s), model number(s), or other identifying information.
 - Purchase price and proof that full payment was made
 - Purchase date and date of delivery or installment

For the Air Source Heat Pump and Central Air Conditioner rebate, an original or copy of the AHRI certificate will also need to be provided. The AHRI certificate can be provided by the HVAC installer and provides proof of efficient performance for HVAC equipment.

- How do I know if my new appliance qualifies as an Energy Star® Appliance?
There are several ways to see if your appliance qualifies as Energy Star®. Your appliance should have an ENERGYSTAR certified sticker with the star symbol located on the appliance. Your Energy Guide label may also include the sticker. See below for a comparison. You can also go online, call or e-mail Energy Star® directly and they will tell you if your appliance meets current Energy Star® requirements. That information can also be found listed below.
